

第9屆

RNA病毒國際研討會 (病毒-宿主交互作用)

International Symposium on RNA Viruses
(Virus-Host Interactions), 2026

October
16, 2026 (Fri.)

09:30 AM – 05:00 PM

長庚大學工學院六樓會議廳(二)
(桃園市龜山區文化一路259號)

Online Registration

Free
registration

Deadline
Sep. 5

Abstract
Submission

Deadline
Aug. 20

Keynote Speakers

Dr. Sara Cherry / University of Pennsylvania, U.S.A.
Title: Emerging RNA viruses and Innate immune control

Dr. Frank J.M. van Kuppeveld / Utrecht University, Netherlands
Title: Visualizing enterovirus replication and virus-host interactions in real time at the single cell level

Invited Speakers

Dr. Yoke-Fun Chan / University of Malaya, Malaysia
Title: Enterovirus A71 survival: Win, lose or draw

Dr. Hsing-I Huang / Chang Gung University, Taiwan
Title: The Role of IEC-derived Extracellular Vesicles in the Pathogenesis of EV-A71 Infection

Dr. Takeshi Noda / Kyoto University, Japan
Title: Mechanisms of Ebola virus intracellular replication

Dr. Yaw Shin Ooi / Duke-NUS Medical School, Singapore
Title: Deciphering the entry mechanisms of emerging bat-borne pteropine orthoreoviruses

Dr. I-Hsuan Wang / Sinica, Taiwan
Title: The regulation of SARS-CoV-2 egress and its impacts on COVID-19

Dr. Jen-Ren Wang / National Cheng Kung University, Taiwan
Title: From viral pathogenesis to immunomodulation: countering dengue virus-2 evasion and CLEC5A/TLR2-mediated hyperinflammation

指導單位：
國家科學及技術委員會

主辦單位：
長庚大學新興病毒感染研究中心

協辦單位：
長庚大學新興病毒分子醫學國際碩士學位學程
